

**Now  
Available**

# *HiP High Pressure Fittings*

## The Premium High Pressure Fitting

**Safe and reliable up to  
150,000 psi**

**ASME approved**

**ISO 9001 certified**

**Full line of valves,  
fittings and  
accessories**

**Reactors, pressure  
vessels, pumping  
systems and pressure  
boosters also  
available**

- Oil and Gas
- Waterjet Cutting and Blasting
- Chemical and Petrochemical
- Universities and Government
- General Industry and More!
